About EAPCE

The East African Petroleum Conference and Exhibition (EAPCE) is the East African Community's flagship biennial petroleum and energy investment event, bringing together governments, national oil companies, international energy companies, investors, financial institutions, regulators, technology providers, researchers and development partners from across Africa and beyond. The conference provides a platform to promote investment, showcase emerging opportunities, strengthen regional cooperation and accelerate dialogue on the future of East Africa's energy sector.

Why You Should Attend EAPCE27

- Gain insights into East Africa's exploration, discoveries, development, and production.
- Understand the region's governing policies and regulatory frameworks.
- Network with petroleum industry experts and licensing authorities.
- Connect with leading oil companies operating in East Africa.
- Explore investment opportunities across the petroleum sector.
- Join field excursions to learn geology and experience East Africa's tourism.
- Participate in cultural and social events that enrich the conference experience.

The conference is expected to attract over **1,500 delegates** from across the region and beyond.
